Welcome to COLONIAL HEIGHTS BAPTIST CHURCH

FROM OUR PASTOR

Our goal at Colonial Heights is to make disciples. A disciple is a world-visionary, world-impacting, radically-committed learner/follower of Jesus Christ who will reproduce that in others.

Good Morning Colonial Heights,

THANK YOU! I am so proud of you displaying the heart of Jesus our Savior through the clothes drive. Hopefully we will have pictures to show you the incredible amounts of clothes you brought to George Elementary and the Battlefield community. This outpouring of Christian love, along with our school clean-up days, weekly book buddies, class parties, etc... gives us the credibility to share Jesus with this group. Many churches go into an area for a day of work and disappear, but you have become part of their lives and are having a Kingdom impact.

By the time you read this, you will have experienced the worship and testimony of Chris McDaniel. I expect that it was a great night, and we certainly look forward to this Wednesday when James Merritt, former president of the *Southern Baptist Convention* and great man of God, will be here. He really is one of the best preachers in our country, so let's come get our mid-week fill up and be blessed.

I am also excited that over 200 of you have committed to the "Honor Begins at Home" study on Sunday nights. Our God may be waiting to send revival until we get serious about spending time with Him at home. Thanks for being on board with all God is doing in our church.

Know that Beth Ann and I really do love you!

Bro. Jimmy

FOLLOW THE LORD IN BAPTISM.

Jesus was baptized. He commanded us to be baptized. We are to be a visible witness to the world of what He has done. (Matthew 3:13 – 17, Matthew 28:19 – 20)

GET CONNECTED WITH FELLOW BELIEVERS.

God never intended us to be "Lone Ranger" Christians! He built us for community. That community is called the church. So, become a member. Plug in. Get involved.

GROW IN YOUR WALK WITH THE LORD.

See the back of the INVITATION or someone at the Welcome Center for more detailed info about how.
